Dear SNN Friend,

I hope this letter finds you in good health and high spirits. I am excited to extend a warm invitation to an exclusive introduction of the Center for Abilities, Diversity, and Development (C.A.D.D.), operated by Special Needs Network (SNN).

At Special Needs Network Inc., we believe in the power of collaboration and the extraordinary possibilities that emerge when passionate individuals and forward-thinking organizations unite. With your valued support, we can transform dreams into reality and pave the way for a world where innovation, creativity, and social responsibility thrive under one roof.

C.A.D.D. is dedicated to transforming the lives of individuals in the developmental disabilities community, particularly those affected by autism spectrum disorders. Our full-service autism health and community center is situated in the historic Watts/Willowbrook/Compton neighborhood, on the premises of the Martin Luther King, Jr. Community Hospital. We passionately provide comprehensive medical and developmental services, including integrated diagnoses, intervention services, speech therapy, occupational therapy, physical therapy, and Applied Behavior Analysis (ABA) therapies. Our primary focus is on Medi-Cal recipients, uninsured individuals, and low-to-moderate-income families, while collaborating with St. John's Well Child and Family Center to ensure essential medical and dental care for families.

We understand the impact and influence you hold in our community, and we believe that your involvement with C.A.D.D. can make a profound difference in the lives of countless individuals. You will witness firsthand the dedication of our team and the transformative work we are doing.
